

MASSROBOTICS PRESENTS:

SECURING A PAYING CUSTOMER

JOIN US AND OUR PANEL OF STARTUPS!

Robotics technology companies have many hurdles to overcome in the long journey from ideation to prototyping and commercialization. Finding an early adopter can be challenging and startups need to be flexible, pivoting to secure pilot programs. Our panelists will be sharing their extensive experience as well as their advice on strategy for other startups.

MEREDITH OWEN

Head of Business Operations at Southie Autonomy

JOEL PEDLIKIN
